

FULL MOON ABUNDANCE CEREMONY

Small circle

Deep work

03.03.2026

YOU ARE INVITED INTO A SACRED FULL MOON
CEREMONY – A SOFTLY HELD SPACE FOR
RELEASE, REMEMBRANCE, AND EXPANSION.

Under the energy of the Full Moon, we gather in an intimate circle to open the heart, dissolve inner limitations, and reconnect with our natural state of abundance. Through ceremonial cacao, guided inner journeying, and immersive soundhealing, this ceremony offers a gentle yet profound reset for the nervous system, emotions, and subtle body.

THIS IS NOT A
PERFORMANCE, BUT A
LIVED EXPERIENCE.

This ceremony is for those who feel called to:

- Reconnect with the heart and intuition
- Cultivate clarity, openness, and abundance from within
- Experience deep rest and nervous system regulation

Suitable for all levels. No previous experience with meditation required. Come as you are.

Please inform us in advance if you are:

- Pregnant or nursing
- Taking medication (especially MAOIs or SSRIs)
- Experiencing heart conditions or food allergies

We recommend avoiding heavy meals beforehand (light snacks are fine).
